Liz Powell and Tracy Middlebrook of the Racine Community Foundation presented Alison Sergio, Executive Director of the Health Care Network with a check for \$9,500 on Wednesday, July 20, 2016. The Racine Community Foundation provided a grant to Health Care Network to assist with the purchase of much needed new dental equipment. Health Care Network, Inc. provides free or low cost health care to residents of Racine County who have no health insurance and are of limited income (at or below 200% of the poverty level). This care is made possible through the volunteer efforts of over 380 physicians, dentists, and other health care professionals.

The mission of the Racine Community Foundation is to enhance the quality of life for the people of Racine County by encouraging and providing opportunities for charitable giving and by managing and distributing the funds in a responsible manner.
